REPLY TO
ATTN OF: IG

30 September 1981

SUBJECT: Intelligence OVERSIGHT Quarterly Report

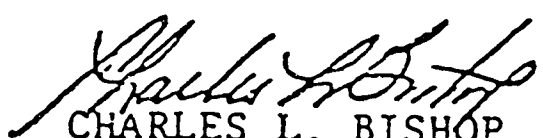

TO: NSACSS/IG

1. Mission activities of the Electronic Security Command (ESC) were legally and properly conducted. No OVERSIGHT violations were reported.

2. Actions Taken: During this quarter we conducted Management Effectiveness Inspections (MEI) of the 6949th ESG, Offutt AFB, Nebraska, 6911th ESS, Hahn AB, Germany, and the 6912th ESG, West Berlin, Germany. We all conducted a followup inspection of the 6913th ESS, Augsburg, Germany. All units inspected had good overall OVERSIGHT programs.

[REDACTED]

3. Future Actions: During the next 90 days we are currently scheduled to conduct two inspections at ESC units.
